

I request that you not use the broadcast service LPFM in my area of the country as I listen to KLOVE FM94.7/94.9 that uses an FM translator. I give money to the station, which is listener funded, so that I may listen to Christian music daily. Many people in my area listen to it also. It provides us with non-commercial based music/talk show/commentary relative to our lives. There is no other station that provides this in the area. Please allow it to remain in the Memphis, TN area and all other areas in which KLOVE broadcasts as well. Thank you for keeping KLOVE on the air. Sincerely,  
Jane Johnson, Collierville, TN
